

# Working Agreement for Alternate Activities

If you are working on alternate activities while others in the class are busy with teacher-directed activities, you are expected to follow these guidelines.

1. Stay on task at all times with the alternate activities you have chosen.
2. Please don't talk to the teacher while he or she is teaching.
3. When you need help and the teacher is busy, please ask someone else who is also working on the alternate activities.
4. If no one else can help you, keep trying the activity yourself until the teacher is available. Or move on to another activity until the teacher is free.
5. Please use soft voices when talking to each other about the alternate activities.
6. Never brag about your opportunities to work on the alternate activities.
7. If you must go in and out of the room, please do so as quietly as you can.
8. When you go to another location to work, please stay on task there, and follow the directions of the adult in charge.
9. Please don't bother anyone else.
10. Don't call attention to yourself.

*I agree to these conditions. I understand that if I don't follow them, I may lose the opportunity to continue working on the alternate activities and may have to earn back the privilege.*
